

## A Selective Plantlist for The Juniper Hills TNC Preserve

(This list includes plants that are rare, common, showy, useful, or otherwise notable. It is not meant to be comprehensive or complete.)

### Grasses

- Achnatherum thurberianum (Thurber's needlegrass)
  - \* Achnatherum hymenoides (Indian ricegrass)
  - Bromus tectorum (cheatgrass) #
  - \* Elymus cinereus (giant wild rye)
  - Elymus elymoides (bottlebrush squirreltail)
  - Festuca idahoensis (Idaho fescue)
  - Koeleria cristata (junegrass)
  - Poa sandbergii (bluegrass)
  - \* Poa bulbosa # (Bulbous bluegrass)
  - Pseudoroegneria spicata (bluebunch wheatgrass)
- Mountain Drome

### Forbs

- Achillea millefolium (yarrow)
- \* Agoseris heterophylla (false dandelion)
- \* Allium macrum (onion)
- \* Amsinckia tessellata (fiddleneck)
- \* Astragalus purshii (woollypod milkvetch)
- " filipes
- " misellus var misellus \*
- Balsamorhiza sagitata (balsamroot)
- Blepharipappus scaber
- Calochortus macrocarpus (mariposa lily)
- \* Castilleja hispida (Indian paintbrush)
- " linariaefolia
- Chaenactis douglasii (dusty maiden)
- Clarkia pulchella (pink fairies)
- Cleome platycarpa (golden bee plant)
- Collinsia parviflora (blue-eyed Mary)
- Crocidium multicaule (spring gold)
- Cryptantha celosioides (butte candle)
- \* Delphinium nuttallianum (larkspur)
- Draba verna (Spring draba)
- Erigeron filifolius (daisy)
- Eriogonum umbellatum (sulfur buckwheat)
- " vimineum
- Eriophyllum lanatum (oregon sunshine)
- Erodium cicutarium (stork's bill) #
- \* Fritillaria pudica (yellowbells) ~~blomed out~~
- Helianthus nuttallii (Nuttall's sunflower)
- Lepidium perfoliatum (pepper weed) #
- \* Lewisia rediviva (bitterroot)
- Linum perenne var lewisii (wild blue phlox)
- Lithophragma bulbifera (prairie star)
- Lithospermum ruderales (stone seed)

- Lupinus caudatus
- \* " pusillus (annual)
- Lomatium triternatum (Indian celery)
- " donnelli
- \* " vaginatum (yellow biscuitroot)
- " gormanii
- Malva neglecta (cheese weed)
- Mentzelia albicaulis (blazing star)
- Mimulus guttatus (yellow monkeyflower)
- Mimulus nanus (purple monkeyflower)
- Montia perfoliata
- Orobanche uniflora (broomrape)
- Packera cana (groundsel)
- Penstemon speciosus (showy penstemon)
- " erianthus (John Day penstemon)\*
- Phacelia heterophylla (phacelia) longiflora
- " linearis (linear phacelia)
- " lutea (yellow p.)
- Physaria vitulifera
- \* Phlox hoodii (Hood's phlox)
- Potentilla gracilis
- Plectritis macrocera
- Ranunculus glaberimus (sage buttercup)
- Ranunculus testiculatus (hornseed buttercup) #
- Salvia dorii (purple sage)
- Sedum lanceolatum (stonecrop)
- Senecio hydrophilus ?
- Sisymbrium altissimum (Jim Hill mustard) #
- Sphaeralcea coccinea (globemallow)
- Tragopogon dubius (oyster plant) #
- Trifolium macrocephalum (bighead clover)
- Zygadenus venenosus (death camas)

### Shrubs

- Artemisia tridentata (big sage)
- Atriplex confertifolia (sheepfat)
- Chrysothamnus nauseosus (green rabbitbrush)
- " viscidiflorus (gray rabbitbrush)
- Grayia spinosa (spiny hopsage)
- Leptodactylon pungens
- Peraphyllum ramosissimum (Indian apple)
- Prunus virginiana (chokecherry)
- Purshia tridentata (bitterbrush)
- Ribes cereum (red currant)
- " sanguineum (golden currant)

Flax

Tetradymia canescens (horsebrush)

### Trees

- \* Cercocarpus ledifolius (mountain mahogany) *hardest OR wood/N.A. tools & Sticker*
- \* Juniperus occidentalis (western juniper)
- \* Pinus ponderosa (ponderosa pine)
- Populus tremuloides (aspen)

### Riparian

- Iris missouriensis (wild iris)
- Phragmites communis (reed)
- Typha latifolia (cattail)

### Mosses and Lichens

- Grimmia sp (silver rock moss)
- Tortula sp. (Green star soil moss)
- Letharia vulpina (Yellow tree lichen)

# Denotes an alien, exotic, non-native, invasive, imported weed

\* Denotes a plant that is or was on a rare plant list for Oregon
